

Dear Families,

Each student will have an opportunity to be a “Star Student” of the week. It is a great way for the students to get to know each other a little better and give each of them a chance to shine! Attached is a schedule of what week your child will be the Star Student. In preparation for your child’s week, I will be emailing you a slideshow for you and your child to fill in that will be shared with the class during his/her star student week. Each slide will have directions on what to do. Feel free to change any of the fonts or colors!

For the show and tell slide, you have two choices. You can insert pictures of something that is special to your child or he/she can share something about his/her culture/heritage such as...

- Play music that is specific to your family’s culture
- Share copies of a special family recipe
- Present an item that your family uses to celebrate a holiday
- Teach the class some words from a language that your family speaks
- Show and explain a picture of a special family moment
- Tell a story about a special family tradition

Your child may do this in the form of a show and tell, by showing or teaching something, OR you could use the slide given in the powerpoint to present it. Whatever works for you!

And lastly, if you or a family member would like to come in to read one of your child’s favorite books during his/her star student week, please email me as soon as possible to set up a date and time. Reading over zoom, or recording a video of yourself reading a book are good too! This reading choice is optional, not required! :)

Thank you so much for your help!
